

## A Christmas Creed

Words en music by: Johns Chisum and Nancy Gordon

From heaven to the cradle, from the cradle to the cross,  
Jesus, Son and Saviour, came to save the lost.

From darkness to His brightness, from my sin into His grace,  
Jesus, Lamb of offering, dying in my place.

I believe the Christmas story, I believe this ancient truth  
that a Father sent a holy Child to die for me and you.  
I believe that He is living, I believe He rose again,  
I believe that I'm forgiven, that I'll always live with Him  
I believe.

From the grave He rose to heaven, from the heavens now He reigns  
Jesus, Lord and Ruler, worthy of all praise.  
From failure to His mercy, from my fear into His love,  
Jesus my salvation, Lord of all above

I believe the Christmas story, I believe this ancient truth  
that a Father sent a holy Child to die for me and you.  
I believe that He is living, I believe He rose again,  
I believe that I'm forgiven, that I'll always live with Him

Jesus, You're the story, Jesus, You're the truth  
Jesus, You are Christmas, and I live to worship You.

I believe the Christmas story, I believe this ancient truth  
that a Father sent a holy Child to die for me and you.  
I believe that He is living, I believe He rose again,  
I believe that I'm forgiven, that I'll always live with Him  
I believe, I believe, I believe
