

Heal the world

Michael Jackson / arr. Andy Beck / aanp. Stijn van Lier jan '21

1. (v) There's a place in your heart, and I know that it is love
 And this place could be much brighter than tomorrow
 (m) And if you really try, you'll find there's no need to cry
 In this place you'll feel there's no hurt or sorrow,
 (a) There are ... ways to get there, if you care enough for the living
 Make a little space, make a better place

Refrein:

Heal the world, make it a better place
 For you and for me and the entire human race
 There are (oe__) people dying, if you care enough for the living
 Make a better place for you and for me

2. (v) If you want to know why there's a love that cannot lie
 Love is strong, it only cares of joyful giving
 (m) If we try, we shall see in this bliss we cannot feel
 Fear or dread, we stop existing and start living
 (a) Then it ... feels that always love's enough for us growing
 Make a better world, make a better world

Refrein

Bridge:

(m) And the dream we were conceived in will reveal a joyful face
 And the world we once believed in will shine again in grace
 Then why do we keep strangling life, wound this earth, crucify its soul
 Though it's plain to see this world is heavenly, be God's glow

3. (a) We could fly so high, let our spirits never die
 In my heart I feel you are all my brothers
 Create a world with no fear, together we cry happy tears
 See the nations turn their swords into plowshares
 We could ... really get there, if you cared enough for the living
 Make a little space to make a better place

Refrein

Refrein (variatie, 1 toon hoger)

You and for me (5x) / Heal the world we live in, save it for our children.
